

School's Out

Soul Asylum

Well, we got no choice
All the girls and boys
Making all that noise
'Cause they found new toys Well we can't salute you
Can't find a flag
If that don't suit you
That's a drag School's out for summer
School's out forever
School's been blown to pieces
No more pencils, no more books
No more teacher's dirty looks Well, we got no class
And we got no principles
And we got no innocence
We can't even think of a world that rhymes School's out for summer
School's out forever
School's been blown to pieces
No more pencils, no more books
No more teacher's dirty looks Out for summer, out till fall
We might not go back at all School's out for summer
School's out forever
School's out with fever
School's out completely
