

That Kind of Woman

Gary Moore

She's that kind of woman
No doubt about how she feels
She's holding promises
Her eyes won't tell, her lips are sealed And I like her like that
She's kind of crazy
I think I know what I'm looking for
That kind of woman
I think I know what I'm looking for
That kind of woman Standing in the doorway
With the sunlight in her hair
She's watching the wind blow
You know she don't have a care I like her like that
She's kind of crazy
I think I know what I'm looking for
That kind of woman
I think I know what I'm looking for
That kind of woman She's got the look so cool
You know what I mean
Got the wickedest smile that I've ever seen
I crashed my heart on the side of the street
That she once stood on
She's that kind of woman I like her like that
She's pretty amazing
I understand why I want some more
That kind of woman
One look from her knocks me on the floor
That kind of woman She's that kind of lady
That you meet in a dream of dreams
Puts others in her shadow
But you know this woman's real And I like her that
Huh, she's kind of crazy
I think I know what I'm looking for
That kind of woman
I think I know what I'm looking for
That kind of woman I think I know what I'm looking for
That kind of woman
I said I know what I'm looking for
That kind of woman
That kind of woman

That kind of woman(That kind of woman)
