Goth Girl

Lazy Lane

Once upone a time I was a little girl
I dressed in pink and combed my hair in curls
I was an angel and I never sin
Until strangest things happen
I meet him at the graveyard after school
He dressed in black can't he was so cool
He play guitar in a gothic band
And any green then he took my hand
He turn me out
Turn me out
He turn me on
Turn me on
Blew my mind
Blew my mind
Then he was gone
He move magic and he told me spells
He drope me skeletons for show at town
He got my mind and we kiss
He was so I could not resist
He turn me out
Turn me out
He turn me on
Turn me on
Blew my mind
Blew my mindThen he was goneHe bit my neck then he drag my bloodIt was the sweetiest thing he ever done
I've live forever and I always be only his for eternity
He turn me out
Turn me out
He turn me on
Turn me on
He will be all mine
Until done
