Believer

Shakhan

A wall of fire and wind worn stone
Lai lai lai lai
within a bend I could be home
Lai lai lai lai
Its because of him who was dead
He was the special one that bled
and I , I believe in Him.
Oh I, Im a believer in HimThe tide moves in yes in and out
lai lai lai lai
the child on wind swept fields does shout
lai lai lai lai
the clouds above flash across the sky
because of Him Ill never die,
and I, I believe in Him.
Oh, I, Im a believer in HimA soul it dwells in flesh and bone
Lai lai lai lai
yet many a heart is made of stone
lai lai lai lai
they dont want to receive his pure light
change whats wrong making it right
and I, I believe in Him
Oh I, Im a believer in Him.
