

# Believer

## Shakhan

A wall of fire and wind worn stone  
Lai lai lai lai  
within a bend I could be home  
Lai lai lai lai  
Its because of him who was dead  
He was the special one that bled  
and I , I believe in Him.  
Oh I, Im a believer in HimThe tide moves in yes in and out  
lai lai lai lai  
the child on wind swept fields does shout  
lai lai lai lai  
the clouds above flash across the sky  
because of Him Ill never die,  
and I, I believe in Him.  
Oh, I, Im a believer in HimA soul it dwells in flesh and bone  
Lai lai lai lai  
yet many a heart is made of stone  
lai lai lai lai  
they dont want to receive his pure light  
change whats wrong making it right  
and I, I believe in Him  
Oh I, Im a believer in Him.
