Next Day Apologies

Dommin

Little girl those crazy nights are over
Things are looking clear now that you are sober
But it's patience I have not
After a hundred times of the same old plot
Little girl those crazy nights are overI'm tired of the next day apologies
I'm tired of the next day hypocrisy
I'm sorry, I'm sorry, is all I hear
The next day I'm gonna disappear
I'm tired of the next day apologies
Another hurdle you've got me jumping over
Crawling on the floor couldn't be much longer
Now I'm on my own two feet
This is the last time I walk down that street
Little girl those crazy nights are overI'm tired of the next day apologies
I'm tired of the next day hypocrisy
I'm sorry, I'm sorry, is all I hear
The next day I'm gonna disappear
I'm tired of the next day apologiesLittle girl those crazy nights are over
Little girl those crazy nights are over
Little girl those crazy nights are over
Little girl those crazy nights are over
I'm tired of the next day apologies
I'm tired of the next day hypocrisy
I'm sorry, I'm sorry, is all I hear
The next day I'm gonna disappear
I'm tired of the next day apologies
