

Rapid Fire

Vader

Pounding the world
Like a battering ram
Forging the furnace
For the final grand slamChopping away at the source
Soon the course will be done
Leaving a trail of destruction
That's second to noneHammering anvils
Screaming muscle and might
Shattering blows
Crashing brow beating fightFast devastating
And desolating the curse
Blasting the cannons of truth
Through each man of this earthWielding the axe
Comes the one culmination
That's always seemed certain
To bring down the curtain on greedSifting the good from the bad
It's the age for the rage
For the dogs which must fall
To the just and be freeNow grate for the vandals
Who trampled and sampled
Till this place's conditioned
Brought forth demolition to warThe slipping and sliding
Corrosive subsiding
That withered and vained
Till the world seemed all drained fills the bayYeahPounding the world
Like a battering ram
Forging the furnace
For the final grand slamChopping away at the source
Soon the course will be done
Leaving a trail of destruction
That's second to noneSecond to none
