

Follow the Sound

Cloud Conquers City

My days are long.
A recurring song, that carries on.
So long.
When darkness falls, a recurring song.
That carries me, till dawn.

Just follow the sound.
Just follow the sound.
Just follow the sound.
Just follow the sound.

Another wrong.
A recurring song.
Water, so calm,
thirsting trees.
Leaves that fall, leaves that fall.

Just follow the sound.
Just follow the sound.
Just follow the sound.
Just follow the sound.
