

I (Kenny Dope Remix)

Donae'o

I dont know what awaits me (x8)Verse
The rain keeps falling down on me but
 I know the sun is coming back
 And I cant let nobody hold me
 Cant let nobody hold me back
 I said to God I need your help
 Lord mother, father I need your help
 Im asking God to save me
 The Lord said I need to save myself
 Save myself and I sayChorus
I got to get up, I got to be strong, and I got to move forward
 I got to be focused and motivated (Hey and I)
 I got change to make it better
Got to change to be a better manI dont know what awaits me (x8)Verse 2
 While walking through my own life journey
 Sometimes I get pushed off the track
 And I know that destiny deserves me
 And you better know I got your back
 So I said to God I need your help
 Lord mother, father I need your help
 Im asking God to save me
 The Lord said I need to save myself
Save myself and I sayI got to get up, I got to be strong, and I got to move forward
 I got to be focused and motivated (Hey and I)
 I got change to make it better
Got to change to be a better manI got to; I got to move on yeah
 I got to; I got to move on yeah
 I got to; I got to move on yeah
 I will move onBridge
Well it doesnt make sense me sitting here waiting
 (Sitting here waiting)
 So I got to put my feet back on the ground
 (Back on the ground)
 And I know if I ask God hell never help me
 (Help, help, help me Lord)
 So I got to learn to fend for myself
(For myself)I got to get up, I got to be strong, and I got to move forward
 I got to be focused and motivated (Hey and I)
 I got change to make it better

Got to change to be a better man
I got to; I got to move on yeah
I got to; I got to move on yeah
I will move on yeah (x3)
