

# Wretched World (Feat. Genghis Tron)

## Converge

Down by your side  
I watch the dreary light  
It illuminates your sleeping skin I reach my cold arms across the bed  
You make no move  
You never do Own these dire nights  
Own their seething lies  
Own my damage, own my scars They paint a broke life's shattered art  
And time won't turn my wretched world  
(To stand in your shadow is to be home)
