Too Far Gone

Sir Sly

Heaven come on
Don't try to catch me
When I fall
I don't belong
You won't even hear me
When I call
Touch down
There's no warning
Just my spirit falling
Falling
Something's wrong
You don't want to hear
The things I know
Too far gone
Gone so far
There's no where left to go
Touch down
There's no warning
Just my spirit falling
Something's wrong
You don't want to hear
The things I know
Too far gone
Gone so far
There's no where left to go
Get me out of the here and now
I want to be another here
Another
Set me up 'cos I know how
It's easy
Sucker-sucker-sucker
Sucker-sucker-sucker
Sucker-sucker-sucker
Shooting stars
Love the way they burn
Inside your eyes
From here to the end
Burning up the cold
And lonely sky

Touch down
There's no warning
Just my spirit falling
Something's wrong
You don't want to hear
The things I know
Too far gone
Gone so far
There's no where left to go
Get me out of the here and now
I want to be another here
Another
Set me up 'cos I know how
It's easy

Sucker-sucker-sucker
Sucker-sucker-sucker
Sucker-sucker-sucker
Heaven come on
Don't try to catch me
When I fall
I don't belong
You won't even hear me
When I call
When I call
When I call
When I call
Something's wrong
You don't want to hear
The things I know
Too far gone
Gone so far
There's no where left to go
Get me out of the here and now
I want to be another here
Another
Set me up 'cos I know how
It's easy
Sucker-sucker-sucker
Sucker-sucker-sucker
Sucker-sucker-sucker
Heaven come on
Come on
Come on
Come on

Come on
Come on
Come on
Heaven come on
Come on
Come on
Come on
Come on
Come on
Come on
Heaven come on
Come on
Come on
Come on
Come on
Come on
Come on
Heaven come on
Come on
Come on
Come on
Come on
Come on
Come on
Heaven come on
Heaven come on
