

On My Mind

Dornik

Let's make a date out of the cinema
Then stay out 'til early in the morning
I always like it 'cause we take it slow
While everyone around us seems so hurried
It feels familiar 'cause I've been here before
 When your words swept the ground
 Right from under me
 Remember when you were so insecure?
 Now you can't get your hands up off of me
 But the time we spent was so short
 Can't believe it's time to go again
 You're always on my mind all the time
 On my mind, believe it
 You're always on my mind all the time
 On my mind, believe it
 Can we pick it up where you left off?
 When you said you'll never get over me
I'll take for granted every roll off your tongue
'Cause you're screaming out all your honesty
 But the time we spent was so short
 Can't believe it's time to go again
 You're always on my mind all the time
 On my mind, believe it
 You're always on my mind all the time
 On my mind, believe it
 'Cos there's nothing I'd rather think about
 Believe it, believe it
 You know it's time, you see the bags at the door
 I'm minutes away from departing
 In exchange for a few last words
 Will never be enough for me
 You're always on my mind all the time
 On my mind, believe it
 'Cos there's nothing I'd rather think about
 Believe it, believe it
 You're always on my mind, on my mind, believe it
 But the time we spent was so short
 Can't believe it's time to go again
 You're always on my mind all the time
 On my mind, believe it

You're always on my mind all the time
On my mind, believe it
