Sugaree

Grateful Dead

When they come to take you down

When they bring that wagon around

When they come to call on you

And drag your poor body downJust one thing I ask of you

Just one thing for me

Please forget you knew my name

My darlin' SugareeShake it, shake it Sugaree

Just don't tell them that you know me

Shake it, shake it Sugaree

Just don't tell them that you know meYou thought you was the cool fool

And never could do no wrong

Had everything sown up tight

How come you lay awake all night long? Just one thing I ask of you

Just one thing for me

Please forget you knew my name

My darlin' SugareeShake it, shake it Sugaree

Just don't tell them that you know me

Shake it, shake it Sugaree

Just don't tell them that you know meYou know, in spite of all you gained

You still had to stand out in the pouring rain

One last voice is calling you

And I guess it's time you goJust one thing I ask of you

Just one thing for me

Please forget you knew my name

My darlin' SugareeShake it, shake it Sugaree

Just don't tell them that you know me

Shake it, shake it Sugaree

Just don't tell them that you know meShake it up now Sugaree

I'll meet you at the jubilee

And if that jubilee don't come

Baby I'll meet you on the runJust one thing I ask of you

Just one thing for me

Please forget you know my name

My darlin' SugareeShake it, shake it Sugaree

Just don't tell them that you know me

Shake it, shake it Sugaree

Just don't tell them that you know meShake it, shake it Sugaree

Just don't tell them that you know me

Shake it, shake it Sugaree

Just don't tell them that you know me
