Leave the Ground

The Damage Manual

Cynical, affordable
Lashed down like heaven sent intangible
Lucrative, initiative
Unbreathing forces stoked on sedativesFraternize, romanticize
Bring what is spoken for familiarize
Overkill, dependable
More human contact will just make you ill
Make you illThat old disciples got a hold of me
I'm sick of walking on the past you see
Take your skeletons and run, bye, bye baby
Purge your thoughts into the sun
Goodbye baby, bye, bye, byeLeave the ground before us
See how they run
(See how they run)
Leave the ground before us
See how they run
(See how they run)Leave the ground before us
See how they run
(See how they run)
Leave the ground before us
See how they run
(See how they run)See how they run
See how they run
See how they run
See how they runLeave the ground before us
See how they run
(See how they run)
Leave the ground before us
See how they run
(See how they run)Leave the ground before us
See how they run
(See how they run)
Leave the ground before us
See how they run
(See how they run)Cynical, affordable
Lashed down like heaven sent intangible
Lucrative, initiative
Unbreathing forces stoked on sedativesFraternize, romanticize
Bring what is spoken for familiarize

Overkill, dependable
More human contact will just make you ill
Make you illLeave the ground before us
See how they run
Leave the ground before us
See how they runLeave the ground before us
See how they run
(See how they run)
Leave the ground before us
See how they run
