

My Shit's Fucked Up

Warren Zevon

Well I went to the Doctor. I said, "I'm feeling kinda rough." Let me break it to you Son, your shit's fucked up!

I said, "My shit's fucked up? Well I don't see how. He said the shit that use to work, won't work now.

I had a dream, aw shucks, oh well. It's all fucked up and shot to hell.

Yea, Yea, my shit's fucked up. Has to happen to the best of us.

The rich folks suffer like the rest of us. It'll happen to you.

That amazing grace sorta passed you by. You wake up everyday and you start to cry.

You wanna die, but you just can't quit. Let me break it on down, it's the fucked up shit!

Yea my shit's fucked up. By God.
