

Your Side Of The Bed

Little Big Town

On your side of the bed
There's a picture of our wedding day,
A clock that don't work, and the bible that your daddy gave
Its on the window side,
where the moon creeps in at night.
Staring at the ceiling, lying here all alone
I said a prayer for you, then I said one of my own.
But you don't reach for me when you lie down quietly
Tell me how
How'd you get so far away?
All we have left are the memories of the love we made
Are you sleeping with your own regret
On your side of the bed
On your side of the bed
there's a burned down candle flame,
A letter I started but I didn't know what to say
No I couldn't write it down, so I try to say it now
Tell me how
How'd you get so far away
All we have left are the memories of the love we made
Are you sleeping with your own regret
On your side of the bed
Aren't you even gonna make a sound?
(Your side of the bed)
Turn the other way when I turn the lights down
(Your side of the bed)
Are you lonely?
Like I'm lonely?
How?
How'd you get so far away?
All we have left are the memories of the love we made
Are you sleeping with your own regret?
Tell me how
How'd you get so far away?
All we have left are the memories of the love we made
Are you sleeping with your own regret
On your side of the bed
On your side of the bed
Are you still awake on your side of the bed
