

# A Walk to Remember

## Vulfpeck

I'll always remember it was late afternoon  
It lasted forever but ended so soon  
Yeah, you were all by yourself  
Staring up at a dark gray sky, I was changedIn places no one will find  
All your feelings so deep inside  
(Deep inside)Was there that I realized  
That forever was in your eyes  
The moment I saw you cry  
(The moment that I saw you cry)It was late in September and I've seen you before  
You were always the cold one but I was never that sure  
You were all by yourself  
Staring up at a dark gray sky, I was changedIn places no one will find  
All your feelings so deep inside  
(Deep inside)Was there that I realized  
That forever was in your eyes  
The moment I saw you cry  
(The moment that I saw you cry)I wanted to hold you  
I wanted to make it go away  
I wanted to know you  
I wanted to make your everything, all rightI'll always remember it was late afternoonIn places no one will find  
All your feelings so deep inside  
(Deep inside)Was there that I realized  
That forever was in your eyes  
The moment I saw you cry  
(The moment that I saw you cry)I think I saw you cry  
The moment I saw you cry  
I wanted to know you, I wanted to know you
