

# Hurricane (Aaron Sigmon's BreakBeat Boom Edit)

## 30 Seconds to Mars

No matter how many times that you told me you wanted to leave  
No matter how many breaths that you took you still couldn't breathe  
No matter how many nights that you'd lie wide awake  
to the sound of the poison rain Where did you go?  
Where did you go?  
Where did you go...?(Heartbeat, a heartbeat  
I need a heartbeat, a heartbeat )Tell me would you kill to save a life?  
Tell me would you kill to prove you're right?  
Crash, crash, burn, let it all burn  
This hurricane's chasing us all underground No matter how many deaths that I die, I will never forget  
No matter how many lives that I live, I will never regret  
There is a fire inside of this heart  
and a riot about to explode into flames Where is your God?  
Where is your God?  
Where is your God...?(ooohoooh, ooohoooh)  
Do you really want?  
Do you really want me?  
Do you really want me dead, or alive to torture for my sins Do you really want?  
(Heartbeat, a heartbeat)  
Do you really want me?  
(I need a heartbeat, a heartbeat)  
Do you really want me dead, or alive to live a lie?  
(You know I gotta leave I can't stay  
You know I got to go, I can't stay...) Tell me would you kill to save a life?  
Tell me would you kill to prove you're right?  
Crash crash, burn, let it all burn,  
This hurricane's chasing us all underground You say you're wrong, you're wrong, I'm right  
I'm right, you're wrong, we fight  
Okay I'm running from the light  
Running from the day to night Oh, the quiet silences defines our misery  
The riot inside keeps trying to visit me  
No matter how we try, it's too much history  
Too many bad notes playing in our symphony So let it breathe, let it fly, let it go  
Let it fall, let it crash, burn slow  
And then you call upon God  
Oh then you call upon God Tell me would you kill to save a life?  
Tell me would you kill to prove you're right?  
Crash crash, burn, let it all burn,  
This hurricane's chasing us all underground (ooohoooh)

(this hurricane)  
(oohooohoo)  
(this hurricane)  
(oohooohoo)  
(this hurricane)  
(oohooohoo)Do you really want?  
(oohooohoo)  
Do you really want me?  
(oohooohoo)  
Do you really want me dead, or alive to torture for my sins?  
(oohooohoo)Do you really want?  
(oohooohoo)  
Do you really want me?  
(oohooohoo)  
Do you really want me dead, or alive to live a lie?  
(oohooohoo)Running away from the night  
Running away from light  
Running away to save your life
