

# Le Banquet

C2C

We're going to begin to act  
Beginning, today  
To do whatever needs to be done  
Let's get on with the job! World has turned over many times  
And it transformed the history of men  
In the will or the skill to fight  
We're ready to take part  
But now further direction is required  
Tonight a battle has been join  
We will not fail  
Regrettably, we know believe that only force will make them live. I just wanna say this right now  
That regardless of what they say about it  
There's nothing new, only different!  
Never forget this, the future is to those who take it  
All I say is that nothing is easy, and the best things are the hardest. That isn't enough, it is madness! Some men see  
things as they are and say why?  
I dream things that never were and say why not. Epic battle has ended,  
Thank you, good night and farewell. Karfax
