Let Me Love You Down

INOJ

It never really mattered too much to me
That you were just too darned old for me
All that really mattered was you were my girlfriend
And baby, that's all that mattered to meLet me love you down
Even if it takes all night
Let me love you down
You know it's gonna be so rightRemember when I drove you home from work
I loved the way when you kissed me bye
All your friends think I'm just too young for you
You tell 'em that I can do what guys their age can do, oh, babyLet me love you down
Even if it takes all night
Let me love you down
You know it's got to be so rightLet me love you down
Even if it takes all night
Let me love you down
You know it's got to be so right, ohIt never really mattered too much to me
That you were too darned old for me
All that really mattered was you were my girlfriend
And baby, that's all that mattered to me, oh, babyLet me love you down, ooh, oh
Let me love you down
You know it's gonna be so rightLet me love you down, ooh
Let me love you down
You know it's gonna be so right
I can love you downLet me love you, love you, love you, love you
Let me love you, love you, love you, love you
Let me love you down
(Love you down)I know, I know I could
Let me love you down
(Love you down)
I know it's gonna take all nightLet me love you down
(Love you down)
No, no, no, no
Let me love you down, oh
(Love you down)Let me love from dawn
Take the house and the car
I love like you are, whoa
Love you down, down, down, babyLove you down, down, down
Oh, woah, woah
I know, I know I could, yeah

Let me love you down, woah, woahIt's just me and you the whole night through
Let me love you, baby
I know, I know I could
Love you down, down, ohLet me love you, I know I could, baby
You're so sweet to me, woah, woah
Let me love you down, ooh, baby
It's just you and me, baby the whole night through
Won't you let me love down
I can't take this too much longer, you know
