

Almost Blue

[Diana Krall](#)

Almost blue
Almost doin' things we used to do
There's a boy here and he's almost you Almost all the things that your eyes once promised
I see in his too, now your eyes are red from crying
Almost blue Flirting with this disaster became me
It named me as the fool who only aimed to be Almost blue
It's almost touching it will almost do
There's a part of me that's always true, always Not all good things come to an end now, it is only a chosen few
I've seen such an unhappy couple
Almost me, almost you, almost blue
