

Feel You Like a River

ATB

I can feel you across the miles of my body
Almost physical, spiritual..
Like there is no separation -
Like you were right beside me.. like a river I can feel forever in my mind
I can always reach for you inside
We can stay together in our minds
Feel you like a river, never die.. Remember the bridge we crossed?
Leaning out over the water
With the sun streaming out through the leaves
We can keep it alive Just energy..
I can feel forever in my mind
I can always reach for you inside
We can stay together in our minds
Feel you like a river, never die.. And I feel you, feel you, feel you like a river..
(repeat) I can feel forever in my mind
I can always reach for you inside
We can stay together in our minds
Feel you like a river, never die.. Ohh, ohh..
And I feel you, feel you, feel you like a river..
(repeat)
