Word Up

Marty Q

Alright, lets just go for it
Come on baby
Yeah
Owww...
Yeah
All pretty ladies around the world
Got a weird thing to show you
So tell all the boys and girls
Tell your brother, your sister and your mama too
Cause we're about to go down
And you know just what to do
Wave your hands in the air like you don't care
Fly by the people as they stop to look and stare
Do your dance, do your dance
Do your dance quick
Come on baby, tell me whats the word
Word up, everybody say
When you hear the call you've got to get it underway
Word up, it's the code word
No matter where you say it
You know that you'll be heard
Yeah (Can you feel me?)
Now all you sucker DJs who think you're fly
There's got to be a reason
And we know the reason why
You try to put on those airs and act real cool

But you got to realize that you're acting like fools
If there's music we can use it
We're free to dance
We don't have no time for psycological romance
No romance, no romance
No romance for me
Mama, come on baby tell me whats the word
Word up, everybody say
When you hear the call you've got to get it underway
Word up, it's the code word
No matter where you say it
You know that you'll be heard

Word up
Word up, everybody say
When you hear the call you've got to get it underway
Word up, it's the code word
No matter where you say it
You know that you'll be heard
Yeah
Word up
Yeah
Word up, everybody say
Word up, it's the code word
Word up
Do you like that?
(Do you like that?)
