

# Touch the Earth

**Kathy Sherman**

CHORUS:

Touch the earth with gentleness  
Touch the earth with love  
Touch her with a future  
By the way you live today  
God has given us the power  
To create the world anew  
If we touch the earth  
Together, me and you.

The time is here  
The time is now  
We can change things  
Give the earth your dream of harmony  
She is waiting  
Waiting for love,  
Waiting for you, waiting for me

~Chorus~

Show the earth you care about her future  
Melt the walls of hate  
And fear that keep us apart  
Believe we can live  
Together as friends of the earth

~Chorus~

Be the reason  
Be the hope  
For others to believe  
That the earth is meant  
For beauty, goodness and peace

~Chorus~
