Contagious Love

Bella Thorne and Zendaya

[Bella (Verse 1):]
It might rain just a little but
Yeah we dance in it
Rock to the rhythm
And we put our hands with it
One life to live
So we live it to the fullest
Young and free yeah you know
How we do it[Zendaya:]
Head in the clouds
And the sun shine's bright
Hope in your eyes
And it shine's that light
Gravity itself couldn't hold you down
Joy inside in the merry go-round[Bella:]
And we bring it right back
Positive energy magnetic attract
Ha ha so we spread that love
Now everybody show it now
Do it all together now[Chorus:]
[Zendaya:]
Hit me up with some love
Everybody needs Contagious Love[Bella:]
And I'll be happy with just
Enough lemme get that Contagious Love like[Zendaya:]
Hit me up some love
Everybody need Contagious Love[Bella:]
And I'll be happy with just
Enough (love) gimme gimme that Contagious Love like[Bella (Verse 2):]
It was smiles over frowns
And we laugh without reason
Live out loud
Cause our hearts still beating
Sing on the elevator
Watch how people stare
Capture reaction the moment's
Still there[Zendaya:]
These are the times
That we live for

So do it big make it count
Reel it in slow
Cause the clock don't stop
Time won't stand still
You're still every moment that you can feel[Bella:]
Ha ha so we spread that love
Now everybody show it now
Do it all together now [x2][Chorus:]
[Zendaya:]
Hit me up some love
Everybody needs Contagious Love[Bella:]
And I'll be happy with just
Enough (love) lemme get that Contagious Love like[Zendaya:]
Hit me up some love
Everybody need Contagious Love[Bella:]
And I'll be happy with just
Enough gimme gimme that Contagious Love[Zendaya (Verse 3):]
You ain't gotta worry
About a thing
It'll be alright[Bella:]
And it'll be alright[Zendaya:]
You ain't gotta worry[Bella:]
It might rain just a little but
Yeah we dance in it
Rock to the rhythm
And we put our hands with it
One life to live
So we live it to the fullest
Young and free yeah you know
How we do it[Zendaya:]
Hit me up some love
Everybody need Contagious Love[Bella:]
And I'll be happy with just
