

Lifeline

Hillsong Young & Free

You took me from the wayside
Called me Your own
Throwing me a lifeline
You carried me home
Jesus You're all I want
You're all I want

Over the horizon
Is where I look beyond
You're the silver lining
Breaking through the storm
Jesus You're all I want
You're all I want

A castaway lost in the violent sea
Drifting away till You rescued me
You set my feet on solid ground

When I lost my grip love held on tight
Even my worst didn't change Your mind
My guilt and shame lost in Your grace

Runaway heart in the distant land
I wandered so far still to find You there
There's no escaping Your embrace

With my hope locked in and my future sure
My life has a cause worth fighting for
My soul exists to know Your Name

And oh
You are my hope
Jesus forever
You've forgiven my failures

You are my hope
You never let go
Jesus forever
You've forgiven my failures

You are my hope
