Move You [SSSPII]

Anya Marina

Bending spoons with my mind,
Manifesting men of all kinds
In my spare time.
But oh, how I struggled in vain,
To solve this riddle with my brain
When the answer's in my hands.

So I wanna move you around.
Got to turn you inside out.
Yeah, I wanna move you,
I wanna move you around.
I wanna move you,
I wanna move you around.

Where do you,
Where do you,
Where do you,
Where do you,
Where do you get off
Living like I'm giving it all up to come here?

I'm moving it safe,
Moving it safe,
Moving it slow,
Teach me a lesson cause I want to know,
If the answer's in my hands.

So I wanna move you,
I wanna move you around.
I I I I wanna move you,
I wanna move you around.
I wanna move you,
I wanna move you around.

Yeah yeah, you with your itinerary life,
You're nothing, nothing, never fine in the light.
Alright
Alright
The nights settling, settling in your bones,
You gotta celebrate your moments,

Look into your soul,
You gotta give it a go.

I wanna move you,
I wanna move you around.
I I I I wanna move you
I wanna move you around.
I I I I wanna kick off your boots,
Give up the fight,
Summon the night,
Sick and tired of super light.
You gotta kick off your boots,
Give up the fight,
Summon the night,
Sick and tired of super light.

It's all out, all out on me,
It's all out, all out on me,
Yeah, it's real,
Yeah yeah, it's real.
