

# Slow Cheetah

## Red Hot Chili Peppers

Waking up dead, inside of my head  
Would never, never do, there is no med  
No medicine to takeIve had a chance to be insane  
Asylum from the falling rain  
Ive had a chance to breakIts so bad, its got to be good  
Mysterious girl misunderstood  
Dressed like a wedding cakeAny other day and I might play  
A funeral march for Bonnie Brae  
Why try and run away?Slow cheetah come before my forest  
Looks like it's on today  
Slow cheetah come, it's so euphoric  
No matter what they sayI know a girl, she worked in a store  
She knew not what her life was for  
She barely knew her nameThey tried to tell her, she would never be  
As happy as a girl in a magazine  
She bought it with her paySlow cheetah come before my forest  
Looks like it's on today  
Slow cheetah come, it's so euphoric  
No matter what they sayEveryone has so much to say  
They talk, talk, talk their lives away  
Dont even hesitateWalking on down to the burial ground  
Its a very old dance with a merry old sound  
Looks like it's on todaySlow cheetah come before my forest  
Looks like it's on today  
Slow cheetah come, its' so euphoric  
No matter what they saySlow cheetah come before my forest  
Looks like it's on today  
Slow cheetah come, it's so euphoric  
No matter what they say
