

# Burning Down the House

Bonnie Raitt

Watch out, you might get what you're after  
Cool baby, you're strange but not a stranger I'm an ordinary girl  
And I'm burnin' down the house Hold tight, wait till this party's over  
Hold tight, well we're gonna be in for some nasty weather There has got to be a way  
And we're burnin' down the house Here's your ticket, pack your bags  
It's time for jumpin' overboard  
Transportation is here Close enough but I'm not too far  
Bet you're wonderin' where you are  
Fight fire with fire of love Burnin' down the house All wet, and you might need a raincoat  
Shake down, my dreams are walkin' in broad daylight Three hundred sixty-five degrees  
And we're burnin' down the house, hah My house, out of the ordinary  
That's right, I don't wanna really hurt nobody Some things sure sweep me off my feet  
And we're burnin' down the house
