

Keeper of the Key

[Elvis Presley](#)

You have gone and yet I'm still your prisoner
You alone can change my misery
Each tear fall could break the [Incomprehensible]
Oh, you are the keeper of the key Love locked inside like mine burns constantly
Oh, darling please come back to me
We'll lock our hearts together for a lifetime
And God will be the keeper of the key And God
And God will be the keeper of the key
