Beginning of the End

Testament

Anything! Why would you fight for nothing
Solving! Nothing but a plunbing stain
Laughing! Clean the shit up
I smear my hate on youYou hung it you hung why so dirty hay
You hung it you hung it is this the beginning of the endRanked! But nothing ever smelt
Hate! I only felt for you
Unholy! What came out of youYou hung it you hung why so dirty hay
You hung it you hung it is this the beginning of the end
