

Hate Train

Metallica

Hate Is A Train
That Thunders Aimless Through My Head
And Hate Is The Flame
Chained To The Wheel Until I'm Dead
Rage Is A Flame
Creates A Touch To Boil The Seas
And Rage Is To Blame
Forever Sorry I Shall Be
And From A Darkness I Descend
Clenching A Torch Of Sweet Revenge
You Took Away Tomorrow, Still I Stand
I Ride Into The Sorrow, Still I Stand
You Took Away Tomorrow, Still I Stand
Straight Down Into The Sorrow, But Still I Stand
Wrath Is The Name
Branding Suffer Onto You
And Wrath Takes The Shame
And Holds Me Down Until Its Through

And From A Darkness I Descend
Clenching A Torch Of Sweet Revenge
You Took Away Tomorrow, Still I Stand
I Ride Into The Sorrow, Still I Stand
You Took Away Tomorrow, Still I Stand
I Sink Into The Sorrow, But Still I Stand
And Hate Is A Train
A Beast Awakened By Your Call
And Hate Is A Train
A Beast That Never Slows At All
And From A Darkness I Descend
Clenching A Torch Of Sweet Revenge
Burst Into Flame, The Bitter End
And Shake The Gates Of Hell Again
Cursed Drown In Sorrow...
You Took Away Tomorrow, Still I Stand
I Ride Into The Sorrow, Still I Stand
You Took Away Tomorrow, Still I Stand
You Left Me Here With Sorrow, Still I Stand
