The sad song in your heart ainâ€™t mine
Another womanâ€™s still weavin your twine
Ainâ€™t got no sunshine, youâ€™re full of moonshine
Terrible Valentine

I waited for you to come on
You told me if I could be strong
The years were long, long gone
Hey mister, you done me wrong

You hung around close to the ground
Hey Mister
Take your heavy heart
Go on get outta here
And huck-tuu to you for making me blue

With no smacking in the street cafe
No dancing on a Saturday
And no trouble any time of the day
Iâ€™m steppinâ€™ out and away

Cause the only fires burning are my hot coals
You put yours out in the rain long ago
Whoâ€™s not forsaken by an open door?
Hey Mister, your time to go

You hung around close to the ground
Hey Mister

Take your heavy heart
Go on get outta here
And huck-tuu to you for making me blue
Huck-tuu to you for making me blue
I wanna spit in your shoe
Huck-tuu to you for making me blue
