

The Fountain (ft. Steven Wilson)

Pendulum

You sure, you're right?
Well no, you're wrong
You don't feel my energy
But it won't be long
I see the sun
Believe the dark
Soon I'll disappear
But I'll make my mark
All these fears
And all this love
All you've given me
Is not enough
All my dreams
And all this stuff
All made real
And it's not enough
Watching, waiting, shaping, faking
Shocking, pumping, mocking, stopping
Falling, stalling, warning, crawling
Rejecting, perfecting, loving, ending
Behind my eyes
Is rage alone
But you don't understand
It was all home-grown
I'm not afraid
I just don't belong
It may be cynical
But it all seems wrong
All these fears
And all this love
All you've given me
Is not enough
All my dreams
And all this stuff
All made real
And it's not enough
Watching, waiting, shaping, faking
Shocking, pumping, mocking, stopping
Falling, stalling, warning, crawling
Rejecting, perfecting, loving, ending
Behind my eyes
Is rage alone
But you don't understand
It was all home-grown
I'm not afraid

I just don't belong
It may be cynical
But it all seems wrong All these fears
And all this love
All you've given me
Is not enough
All my dreams
And all this stuff
All made real
And it's not enough Watching, waiting, shaping, faking
Shocking, pumping, mocking, stopping
Falling, stalling, warning, crawling
Rejecting, perfecting, loving, ending
