

# Feel The Beat

## S Club Juniors

move on up

move on up

Tonight is saturday night  
you want to freak it but don't know how to funk it  
and there's a new thing around  
cause the discoe opens up in town

bridge

so baby move on up  
get up on the dance floor  
do your thing get down tonight  
baby don't stop cause i can make you fly so high

chorus

Can you feel the beat  
it's coming your way gatta discoe to the top  
so don't go away can you feel the heat  
all over town when we discoe to the top now

i caught a glimps of your  
eye and when where dancin we get into the right mood  
so lets funky tonight  
cause the dj's pumpin up the groove

bridge

chorus

we can't stop this feelin any longer  
feel the beat and get down to the groove babe  
we can't stop the music's getiin stronger now  
let me take you high

chourus

chourus

can you fell the beat(feel it feel it)  
otta discoe to the top(so don't go away)  
can you feel the haet all over town

when we discoe to the top now

chorus to fade
