

Love Can Drive Your Mind Wild (feat. Kid Daytona)

The Kickdrums

And you...you're the one I want
You're the one I came for
But you just wanna torture me some more
And you...you're the one i want
The reason why I came here
So please don't torture me anymoreCause it keeps me up for days and it keeps me up for days...Never wanna let
you go
Never wanna see you leave
I wanna let you know
I love youAnd you.. you're the one I want
You're the one I care for
But you're just gonna torture me some more
And you... You're the one I want
The reason why I came here
So please don't torture me anymoreCause it keeps me up for days and it keeps me up for days...Never wanna let
you go
Never wanna see you leave
I wanna let you know
I love you
We'll fly away.. ohhh
Won't let you go...
Let you know...
I love youTry and tell myself it'll be okay
I don't wanna a single thing to change
Thinking to myself while I lie awake
Today is the day that she'll fly away
And it keeps me up...for days
And it keeps me up...for days...heyChorus
Never wanna let you go
Never wanna see you leave
I wanna let you know
I love you
We'll fly away...ohhh
Won't let you go...
Let you know...
I love you
