Happy

Nancy Sinatra

Lonliness is nothin' new
I've lived with it my whole life through
So look out gloom
I'm makin' room for happy happyThrough with walkin' sadness street
I'm dancin' on these smilin' feet
Oh, blues be gone
I'm turnin' on with happy happyAnd should he need me
Well I'll be right there,
I don't care, anywhereAnd should he want me
I'll say this is it, the lamp is lit
Here we go, here we go
