

Tie Me To The Length Of That

Public Image Ltd.

Trials and tribulations
When I was born the doctor didn't like me
He grabbed my ankles
Held me like a turkey
Dear mummy
Why'd you let him hit me
This was wrong
I knew you didn't love me
There is selection
Many shapes and sizes
Variety
Fondling surprises
The syllables
Trigger happy opposites
Encountering those devious devices
Satisfying all that you are craving
Considering life is now worth saving
Tie me to the length of that
Tie me to the length of that
Tie me to the length of that
Tie me to the length of that
You'll be sorry you don't love me
Something is happening to my body
Nature is those little bits and pieces
Tie me to the length of that
Tie me to the length of that
Tie me to the length of that
When I was born the doctor didn't like me
He grabbed my ankles
Held me like a turkey
Dear mummy
Why'd you let him hit me
This was wrong
I knew you didn't love me
I keep these feelings deep inside my body
It's not the union both of us expected
Remember daddy
When you made him hold me
Safe in his arms
Then the bastard dropped me
Ooh, ahh
Pretty, pretty baby
Pretty baby
Baby, baby boo-hoo...
Tie me to the length of that
Tie me to the length of that
Considering life is now worth saving

Stupid drunk You'll be sorry you don't love me Ooh, ahh
Pretty, pretty baby
Pretty baby
Baby, baby Ooh, ah
What a lovely little baby There is selection
Many shapes and sizes
Variety
Fondling surprises
The syllables
Trigger happy opposites
Encountering those devious devices
Satisfying all that you are craving
Considering life is now worth saving Tie me to the length of that
Tie me to the length of that
Tie me to the length of that Until the end
