

Mystery

The Olivia Tremor Control

mystery - come cover us again
like a rain in the morning
you land on the house
like a freight train - you do

mystery - come knocking here again
like trees in the warm sun
you land on the house
like an airplane - you do

I know it's hard to believe in something you can't see
I know it's hard to believe in something you can't see it

mystery - come smother us again
like a moon in the wet grass at night
you dawn like an airplane, you do!

I know it's hard to believe in something you can't see
I know it's hard to believe in something you can't see it
