

Sweet Leaf

Six Feet Under

Alright now!

Won't you listen? When I first met you didn't realize

I can't forget you or your surprise

You introduced me to my mind

And left me wanting you and your kind I love you. Oh you know it My life was empty forever on a down

Until you took me showed me around

My life is free now, my life is clear

I love you sweet leaf - though you can't hear Come on now - try it out Straight people don't know what you're
about

They put you down and shut you out

You gave to me a new belief

And soon the world will love you sweet leaf
