

# Get to You

James Morrison

So close to midnight  
Under the streetlights  
Leaving behind what I don't need I've walked like a blind man  
And my eyes are open  
And you are the only place for me Won't you hold on just for a while  
Please don't give up on me tonight Coz I'm on my way  
I chased the day  
Yeah I'll keep running all night I just won't rest to catch my breath  
I will run every red light To get to you  
No I will, get to you  
No I will, get to you I'll chase past the tail lights Head for the skyline Hoping that, that won't change your faith I  
see them appearing  
The cracks in the pavement  
Running I pray I'm not too late Won't you hold on just for a while  
Please  
Please don't give up on me tonight Coz I'm on my way  
I'll chase the day  
Yeah I'll keep running all night I just won't rest to catch my breath  
I will run every red light To get to you  
No I will get to you  
No I will get to you  
I will I'll get to you  
Just hold on a little longer  
I'll get to you  
Oh just don't give up on me  
I will get to  
I will get to you Coz I'm on my way  
I chased the day  
Yeah I'll keep running all night I just won't rest to catch my breath  
I will run every red light To get to you  
No I will get to you  
No I will get to you  
I will I will get to  
I will get to you
