

# Mysterious Times (Marc Lime & K Bastian Remix)

Sash!

Life,  
mysterious life  
we're all moving around  
dancing the rhythm of lifeTime,  
mysterious time  
we're all counting the hours and days  
'till the end of all timeWere all feeling the change  
but we don't know why  
choose one direction just one for time  
don't say I'm thinking too much  
if you see what's behindAnd these are mysterious times  
Mysterious times  
No trick of the mind  
For this moment I feel  
like we live in  
mysterious times  
If you see what's behind  
these are mysterious timesSoul  
I feel my soul  
for this moment  
nobody can stop me from flying so highReal  
I feel so real  
in a world of illusion  
you only see what you feelWere all feeling the change  
but we don't know why  
choose one direction just one for time  
don't say I'm thinking too much  
if you see what's behindAnd these are mysterious times  
Mysterious times  
No trick of the mind  
For this moment I feel  
like we live in  
mysterious timesIf you see what's behind  
these are mysterious times  
If you see what's behind  
these are mysterious times
