

Ring of Fire

Social Distortion

Love is a burning thing
And it makes a fiery ring
Bound by ones desire
I fell down into a ring of fire I fell into a burning ring of fire
Went down, down, down and the flames went higher
And it burns, burns, burns that ring of fire, that ring of fire The taste of love is sweet
When hearts like ours meet
I hide before you like a child
Oh but the fire went wild I fell into a burning ring of fire
Went down, down, down and the flames went higher
And it burns, burns, burns that ring of fire, that ring of fire and it burns I fell into a burning ring of fire
Went down, down, down and the flames went higher
And it burns, burns, burns that ring of fire that ring of fire The taste of love is sweet
When hearts like ours meet
I hide before you like a child
Oh but the fire went wild I fell into a burning ring of fire
Went down, down, down and the flames went higher
And it burns, burns, burns that ring of fire, that ring of fire One more time
I fell into a burning ring of fire
Went down, down, down and the flames went higher
And it burns, burns, burns that ring of fire, that ring of fire
That ring of fire, that ring of fire
