Don't Say A Word

Elysion

Oh whoa, and if you never, said, anything
If you never said anything
If you never
If you never
If you never
If you never said anything
If you never, if you never
Ahhhhhh
If you never, if you never
if you never, if you never
ahhhhhhhh
if you never, if you never
Here it is
In my hands,
In my veins
And over lands
It spreads like fire
Seeking air
To pull me in
My own fanfair
Won't you come
Won't you come
Won't you come just don't say a word
Won't you come
Won't you come

Won't you come just don't say a word
If you never, if you never
Just don't say a word
If you never, if you never
Just don't say a word
I'm more alive
Than I've ever been
So now I give you, all my sins
I've chosen you
I've chosen you
But don't say a word
And if I save us
And I fall down

I will leave your words behind now
If you never held me under
If you never feel my thunder
If you never, if you never
Ahhhhhhhh
If you never, if you never
If you never, If you never
Ahhhhhhhh
If you never, if you never
Just don't say a word
