You Are Everything

98 Degrees

Today I saw somebody
Who looked just like you
She walked like you do
I thought it was you
As she turned the corner
I calle dout your name
I felt so ashamed when
it wasn't you, wasn't you
Ooo, oh
Chorus
You are everything and everything is you, oh
You are everything and everything is you, woah
You are everything and everything is you
Hmm
How can I forget when
each face that I see
Brings back memories, of being with you
I just can't go on living life as I do
Comparing each girl to you

No they just won't do,
they're not you, oh
Chorus
(You are the song that I sing)
You are everything and everything is you
(You're everything)
You are everything and everything is you
(You're my everything, yes you are)
You are everything and everything is you
(Oh, you're my evening time, you're mine)
You are everything and everything is you
(You're my everything)
You are everything and everything is you
(You are the everything I need)
You are everything and everything is you
(Girl you mean the world to me)
You are everything and everything is you
(Oh, you are my destiny)
You are everything and everything is you
