

Dave the Dog

Nutty Noah

I had myself a dog called Dave
And he could bounce right out of the gate
Oh Dave, he was the bounciest dog in the world And you could bounce oh so high
Sometimes I think you touched the sky
Oh Dave, you were the bounciest dog in the world You just want to bounce bounce bounce, bounce bounce
bounce, bounce bounce bounce, ba ba ba ba
Bounce bounce bounce, bounce bounce bounce, ba ba ba ba, ba ba ba ba My friends all thought that you were
crazy
They said your back legs went lazy
Dave, you were the bounciest dog in the world You blew away the postman too
He thought you were a kangaroo
Oh Dave, you were the bounciest dog in the world You just want to bounce bounce bounce, bounce bounce
bounce, bounce bounce bounce, ba ba ba ba
Bounce bounce bounce, bounce bounce bounce, ba ba ba ba, ba ba ba ba Break I know you're no longer around
I like to think you bounce from cloud to cloud
Oh Dave You just want to bounce bounce bounce, bounce bounce bounce, bounce bounce bounce, ba ba ba ba
Bounce bounce bounce, bounce bounce bounce, ba ba ba ba, ba ba ba ba
Bounce bounce bounce, bounce bounce bounce, bounce bounce, bounce, ba ba ba ba, ba ba ba ba
Bounce bounce bounce, bounce bounce bounce, ba ba ba ba, ba ba ba ba Can you hear me calling Dave
I miss Dave, with or without you
When I find myself In times of trouble
Dave will always come to me
Yes Dave, with or without you
