When the Devil Calls

Blues Saraceno

When the devil comes to town
He will appear dressed in black
He shall arise upon white horses
Fallen angels on their back
Don't bother with forgiveness
Salvation can't be found
He will strike upon the righteous
And shall burn the heavens down
When the devil calls I'm gonna ride that train
When the devil calls I'm gonna ride that train
Gonna lay my bullets down
Gonna send him back to his grave
When the devil calls you better hide
'Cause hell's coming down these bloody rails
So I shall stand before the altar
And prepare my level best
To strike down this evil demon
And surpass this holy test
So take heed upon my warning
Before the devil gets his due
I shall afflict a bloody justice of revenge before I'm through
When the devil calls I'm gonna ride that train
When the devil calls I'm gonna ride that train
Gonna lay my bullets down
Gonna send him back to his grave
When the devil calls you better hide
'Cause hell's coming down these bloody rails
Hell's coming down, hell's coming down
Hell's coming down these bloody rails
When the devil calls I'm gonna ride that train
When the devil calls I'm gonna ride that train
Gonna lay my bullets down
Gonna send him back to his grave
When the devil calls you better hide
'Cause hell's coming down these bloody rails
