Let It Fall

Westlife

Let it fall, let it fall
Let it fall, let it fall
So I weep, so I weep
So I weep, so I weep
In weakest moments I weep
'Cause I like the way tears fit my cheek
In darkest moments I cry
Oh, how I love the way tears suits my face
I like it salt, I like it wet
Like my makeup in a mess
So I cry hard to let it fall
And I won't stop until my tears are all shed
So I weep, so I weep
So I weep, so I weep
So I weep, so I weep
And I won't stop until my tears are all shed
Let it fall, let it fall
Let it fall, let it fall
In joyous moments I moan
'Cause it feels so good when I let my water flow
Drip, drop and I cannot stop
Can't stop, no, I said, no
Drip, drop and I cannot stop, can't stop
I cry for you, cry for you
I cry because I cannot help it
So it runs, yeah, it falls
And ain't no stopping at all
I like it salt, I like it wet
Like my makeup in a mess
So I cry hard to let it fall
And I won't stop until my tears are all shed
So I weep, so I weep
So I weep, so I weep
So I weep, so I weep
And I won't stop until my tears are all shed
Let it fall, let it fall
Let it fall, let it fall
Let it fall, let it fall
Let it fall, let it fall

So I weep, so I weep
So I weep
And I won't stop until my tears are all shed
Let it fall, let it fall
Let it fall, let it fall
Let it fall, let it fall
Let it fall, let it fall, let it fall
