

Un-thinkable (I'm Ready) (featuring Drake)

Alicia Keys

Moment of honesty
Someones gotta take the lead tonight
Who's it gonna be?
I'm gonna sit right here
And tell you all that comes to me
If you have something to say
You should say it right now You give me a feeling that I never felt before
And I deserve it, I think I deserve it
Its becoming something that's impossible to ignore
And I can't take it
I was wondering maybe
Could I make you my baby
If we do the unthinkable would it make us look crazy
If you ask me I'm ready
If you ask me I'm ready I know you said to me
"This is exactly how it should feel when its meant to be"
Time is only wasting so why wait for eventually
If we gonna do something 'bout it
We should do it right now
(We should do it right now) You give me a feeling that I never felt before
And I deserve it, I know I deserve it
Its becoming something that's impossible to ignore
It is what we make it
I was wondering maybe
Could I make you my baby
If we do the unthinkable would it make us look crazy
Or would it be so beautiful either way I'm sayin'
If you ask me I'm ready
If you ask me I'm ready Why give up before we try
Feel the lows before the highs
Clip our wings before we fly away (fly away)
I can't say I came prepared
I'm suspended in the air
Won't you come be in the sky with me I was wondering maybe
Could I make you my baby
If we do the unthinkable would it make us look crazy
Or would it be so beautiful either way I'm sayin'
If you ask me I'm ready
If you ask me I'm ready

If you ask me I'm ready
If you ask me I'm ready
