Green Grass

I Am Arrows

You ran away to the sun in California.
I'll stay the same
under gray skies I'll come undone,
And I know on holiday,
The grass so green,Yes you ran away,
To find the bright white lights of Hollywood
Sometimes in the rain,
I think I'd like to burn, I never will
And I know On holiday,
The green green grass of holiday.So look down, look down,
Everybody loves you oh
And my my my can anybody fly
This plane home?
And get down, hurry down,
There's people waiting for you oh
And why why why won't anybody fly
This plane home?Yes you, ran away, to catch the sun in California
I'll stay the same,
Under gray skies I'll come undone,
And I know on holiday,
The green green grass of holiday.So look down, look down,
Everybody loves you oh
And my my my, can anybody fly
This plane home?
And get down, hurry down,
There's people waiting for you oh
And why why why, won't anybody fly
This plane home...So look down, look down,
Everybody loves you oh
And my my my, can anybody fly
This plane home?
And get down, hurry down,
There's people waiting for you oh
And why why why, won't anybody fly
This plane home ...So look down, look down,
Everybody loves you oh
And my my my, can anybody fly
this plane home?And get down, hurry down,
There's people waiting for you oh

And why why why, won't anybody fly
This plane home?
